

2018 Fairview Farm Men's Association

Fairview Farm Golf Course is again offering a Men's Golf Association Membership for the 2018 season that will provide a series of professionally organized competitions for association members to enjoy. Association members will have the opportunity to compete in 11 regular events and 5 majors scheduled with blocks of times reserved exclusively for members. The membership will be limited in size to maintain availability of competition spots for members, and to respect the loyalty of our other customers.

\$200 Membership Fee includes:

USGA Handicap Service, Pro Shop Credit for Tournaments, Reserved Tee Times, and Tournament Administration.

Tee Times will be reserved for tournaments that will be held on selected weekends, and played on both Saturdays and Sundays. Prizes will be awarded for each day. A block of tee times will be held by the pro shop for each week's event. Tee Times can be made up to 2 weeks in advance, but times not reserved by association members will be released to the public 3 days prior to the event. Players may make their own foursome, and the pro shop will pair singles. Green fees shall be paid the day of the event. Reservations cancelled without proper notification will require payment of same before participating in other events.

Anyone interested shall submit the registration form below. The membership is limited to the first paid 80 entries.
