

2020 Fairview Farm Men's Association

Fairview Farm Golf Course is celebrating 20 years and a revamped Men's Golf Association schedule. Membership for the 2020 season will provide a series of professionally organized competitions for association members to enjoy. Association members will have the opportunity to compete in weekend events and 4 majors scheduled with blocks of times reserved exclusively for members. The membership will be limited in size to maintain availability of competition spots for members, and to respect the loyalty of our other customers.

\$220 Membership Fee includes: USGA Handicap Service, Pro Shop Credit for Tournaments, Reserved Tee Times, and Tournament Administration.

Tee Times will be reserved for tournaments on the 2020 schedule. Prizes will be awarded for each event. A block of tee times will be held by the pro shop for each week's event. Tee Times can be made up to 2 weeks in advance, but times not reserved by association members will be released to the public 3 days prior to the event. Players may make their own foursome, and the pro shop will work to pair singles looking to play. Green fees shall be paid the day of the event.
