July 31 st	Club Championship (Day 1) 18 Holes
August 7 th	Club Championship (Day 2) 18 Holes
August 9 th	Blind Partner
August 16 th	Closing Day & Luncheon

Here is the schedule for the 2021 season. After reviewing some feedback, we have decided to do consecutive weekends for the Club Championship instead of consecutive days. If this is an issue for too many people, we will revert back to consecutive days on August 7th and 8th. Ladies may play in the morning or the evening to participate in the weekly events. Morning tee times begin @ 8:00 and afternoon tee times start @ 4:30. Morning pairings are created by the pro-shop and afternoon players arrange groups as they arrive. Prizes will be paid out as two events (morning/afternoon).

I will send sign-up information as we approach our first event of the year!

For those of you who are interested in joining SNEWGA (Southern New England Golf Association) please do so through their website. The fee has changed from \$15 to \$20 so for those of you who have sent a check to Fairview Farm already for \$15, please let me know how you would like me to proceed with those checks if you have not already.
