Here is the tentative schedule of events for the 2021 Men's Association. Any event that has an asterisk next to it means the format is subject to change, not the date. You will be notified through Golf Genius when signups for each event are available. Prizes for each event will be paid out through Golf Genius and then transferred onto your pro-shop credit sheet located in the pro-shop. Tee times can be made up to 2 weeks in advance for Association members. A block of tee times will be held each week for play but will be released to the public if not filled 3 days before. Players are encouraged to create their own foursomes. If you cannot find a group, the pro-shop staff will work to pair singles who are looking to play. Greens fees are due the day of each event.
